PROFESSIONAL EXPERIENCE

WARM HEARTS   Toronto, ON

Founder and President   October 2016 – Present

- Successfully planned & executed, time-sensitive campaign to raise awareness for the homeless in Toronto by acquiring over $4000 in sponsorships to distribute hats, scarves, gloves, and scarves in the winter
- Helped create a culture amongst first-years of professionally-driven, ethically motivated actions as the norm
- Intelligent, goal-oriented marketing strategy to obtain our objectives: social media advertising, website SEO

SPLITSTREAM CONSULTING INC.   Mississauga, ON

Computer Technician   November 2014 – March 2015

- Assisted in accurately maintaining procedures for reporting and statistically monitoring PC performance
- Visited home users and corporations to set up PCs and fix faulty equipment
- Manually set up computer systems and hardware for personal and corporate computer users

PROJECTS

ChemCoach (PennApps XV – University of Pennsylvania)
Python, Javascript, Flask
Creates procedurally generated chemistry questions, allowing users to fine-tune what questions they receive. I built the front-end of the website.

WakeMe (Hack the Valley – UofT Scarborough Hackathon)
Java, XML, Google Maps API
Built and designed an Android alarm application that is triggered based on proximity to a set location rather than time. This was made for travellers and commuters in mind.

Nutr.io (GitHub Local Hack Day)
Node.js, Clarifai, Nutritional Values API, Heroku
Created a Facebook Messenger bot that allows a user to sends a picture of fruit and the messenger bot replies with the corresponding nutritional values.

Room Booking Bot (Personal Project)
Python, Selenium
Built a bot that logs in to my university account and finds available study rooms for me and selects that room based on the criteria I set.

STUDENT ENGAGEMENT

RYERSON STARGAZERS   Toronto, ON

President   September 2016 – Present

- Oversee all of the space and astronomy club's activities, budgets, and executive team members
- Lead, delegate, and execute plans with a team of over 10 executive members and 5 committees
- Accountable to the Ryerson Student Union and members of the organisation for all finances allocated to the organisation by the RSU, including other finances such as fundraising, donations, and sponsorship revenues

RYERSON STUDENTS' UNION – BOARD OF DIRECTORS   Toronto, ON

First Year Representative   September 2016 – Present

- Serve as the voice of over 8000 first year students and act as a liaison in bringing issues and feedback to the administration at meetings while suggesting, developing, and implementing solutions to campus life
- Work with the Students' Union to initiate and manage events targeted towards first years
